Legend

=====

Adjustment : Used to calibrate the ZPT. A 1.0 value means no calibration
 ZeroParTime : The theoretical fastest possible time for the race
 Strike Time : Any time <= results in a strike
 Cutoff Time : Any time >= results in no points assigned
 Starters : Amount of competing racers in the sub-class for the race
 Courses : Amount of courses composing the race
 Low hcp : Lower bound Handicap for the class
 High hcp : Upper bound Handicap value for the class

T<#> : Course times. Present if it applies
 Time : Race time combining several courses if it applies
 Stk : Strike obtained during the race
 Old : Strikes obtained during previous races
 Pts : Points assigned during the race
 Rk : Set to Y if the racer was a rookie for the race
